

Debelah Morgan, I Can't Stop Loving You

The curiosity get the best of me
I had to find out what you were all about
Now I'm in love with you
No matter what I do
My love for you remains
The electricity I feel when you're with me
I never felt before, I've never been so sure
You took the fear away, I never goin' away
I'm helplessly, helplessly yours
I can't stop loving you
I can't stop the way I feel inside
I can't stop loving you
No matter what I do
I can't stop loving you
No matter what I do I just can't stop loving you
And now the secret's out
Got something to shout about
I'm in love with you without a doubt
No I'm not gonna run, I'm not gonna hide
The way I feel inside
Your love is like a dream
the way you make me feel
Like we're on top of the world
Just you and me
One kiss and I was free
Gave me the peace I need
I'm helplessly, helplessly yours
I can't stop loving you
I can't stop the way I feel inside
I can't stop loving you
No matter what I do
I can't stop loving you
No matter what I do I just can't stop loving you
One look one touch, one hug, one kiss and I was yours
The mood was right
candlelight burned all night 'til I was yours
Don't know why I cried, I tried goodbye to your love
No matter what I do I just can't stop loving you
No matter what I do I just can't stop loving you
I can't stop loving you
I can't stop the way I feel inside
I can't stop loving you
No matter what I do
I can't stop loving you
No matter what I do I just can't stop loving you
I can't stop loving you
I can't stop the way I feel inside
I can't stop loving you
No matter what I do
I can't stop loving you
No matter what I do I just can't stop loving you
