

# Debelah Morgan, Why Did You Have To Be

When I held you, it was something  
That was nothing much to me  
I was in it for the moment  
Wanted someone touching me  
And I didn't want to fall in love

(Chorus:)  
So why did you have to be  
So beautiful, so good to me  
When I was only looking for  
Someone to hold just for a while?  
Why did I have to see your smile?  
Why did you have to be  
The one who stayed in all my dreams  
When I was needing nothing more  
Than someone to kiss, to hold in the night?  
Why did you have to be so right?

When you touched me, it was something  
Like your touch that I hadn't known  
I could feel it in a moment  
Like your touch had, baby, touched my soul  
And I didn't want to fall in love

(Repeat chorus)

(Bridge:)  
Why did you have to say  
The words that took my breath away?  
I was doing good, I was doing just fine  
Being free

(Repeat chorus)

Oh, baby, oh  
So beautiful  
Why?
