

# Debelah Morgan, You Are The Joy

(Steve Keitt)

Did I tell you that you're my joy?

Oh, oh, oh

Lately it seems you've had your doubts

You told me that weren't sure

That my love for you is true

Now I don't know the reasons for questioning my love

I guess the only thing to do is to let you know that

You're the joy in my life

And my love is for real

And nothing can change that

You are the joy in my life

My life

And my love is for real

Forgive me if I let you down

But tell me can you try

To give me another chance to work things out

(We can work it out baby)

'Cause you're the only person I want in my life

Just take your time and let me show

How I feel for you baby

I want you to know know know know know

You are the joy

In my life

And my love is for real

And nothing can change that

You are the joy in my life

And my love is for real

Oh, oh, oh, oh, oh!!!

You are the joy that I need in my life

Oh, oh, oh

You are the joy that I need in my life

I need you baby, baby

I need I need I need you baby

You are the joy I need in my life

Oh, oh

You are the joy I need in my life
