

Deborah Gibson, Give Me Your Love

Baby why do you not love me
Why do you not see me in the light that I see you in
Don't you ever need me in the still of the night
I've been there in your shoes
feeling strong, feeling innocence
Nothing short of a miracle could make it make sense
Oh darling

CHORUS:

I gave you the moon, the stars above
You think you would give me your love
Came in like the tide, rose up like the sun
You think you would give me your love

I know all that's in your rulebook
I took more than one look
And I know you are the proud type
But I hate game playing, yes I know how to win
But it's not fair to me

You should move 'cause you're wanting to
Not because I fly
Can you only view your dreams when they're
Up there in the sky
Oh, darlin...

CHORUS:

I gave you the moon, the stars above
You think you would give me your love
Oh, darling, yes you would
Came in like the tide, rose up like the sun
You think you would give me your love

CHORUS

I gave you the moon, the stars above
You think you would give me your love
Come on, give it to me
Came in like the tide, rose up like the sun
You think you would give me your love
oh, give me, give me, give me, give me

The stars above
You think you would give me your love
Your love, your love, your love, your love, love
Came in like the tide, rose up like the sun
You think you would give me your love
