

Deborah Gibson, M.Y.O.B.

Kids Chorus: 1,2,3,4

Tell me what you know, and I'll tell you some more
Jackie and CJ used to be
Nobody knows, just you and me
She calls him up, but he's not there
He's out with someone else and that's not fair
Say yeah, Say hey

M-Y-O-B-Mind your own business
She don't know whose getting his kisses
JR has gone and broken his vow
He wants to tell her, but he don't know how
Say yeah, Say hey/

Chorus:

Woah I, I hope she understands
He never meant to break her heart
Oh now, now everything is different in my eyes

Kids Chorus: M-Y-O-B-Mind your own business
She don't know who's getting his kisses
Little girls start out everything nice
Wearing pretty clothes made of sugar and spice
Boys will be boys it's a fact of life
When a heart breaks
Someone pays the price/What she don't know or hurt for sure
And the doctor can't help
'Cause there ain't no cure
Now Jackie sits home thinking everything's fine
But when she finds out
It'll blow her mind
And now, I don't know what to do

Chorus 2x:

Oh I, I hope she understands
He never meant to break her heart
Oh now, now everything is different in my eyes

The Golden Rule
That must be learned
You may be cross
But without you, girl
It's really his loss
What he don't know or hurt for sure
And the doctor can't help
'Cause there ain't no cure
When Jackie finds out where he's spending his time
And she walks out, it'll blow his mind
And now, I don't know what to do

Bridge:

It's so hard, there is no easy way
I can explain
I just don't feel the same

Kids Chorus:1,2,3,4

Tell what you know and I'll tell you some more

Chorus 3x

Kids Chorus: M-Y-O-B-Mind your own business
