

# Decoded Feedback, Immortal (Alpha/Omega remix)

I lived my life  
Immortal from eternity inside  
I lived my life  
So far away from everything inside  
I lived my life  
Through centuries of darkness through the pain  
I lived my life  
I've seen the rise and fall of humanity  
I lived my life  
So far away from everything

Free yourself  
Immortal as the essence of the sky  
Free yourself  
Immortal as the spirit of the night
