

# Dee D.Jackson, Venus The Goddess Of Love

I'm venus the goddess of love...

I know it's my mind  
But What Do I see  
The woman's reflection standing  
Right in front of me  
I Know who she is but  
Oh I know it's true  
But what can I do  
I know she is me  
I know I'm, she in front of me

I'm venus the goddess of love  
Come and touch me  
And see for yourself  
Look at me and be really sure  
I'm venus, I'm venus  
The goddess of love

An angel from heaven  
Come down on me  
He gave me his time  
But I gave him me  
I knew who he was but  
Oh he didn't know  
What he could do  
He changed all of me  
I'm what you see in front of me

I'm venus the goddess of love  
Come and touch me  
And see for yourself  
Look at me and be really sure  
I'm venus, I'm venus  
The goddess of love

I know it's so true but  
What can I do  
I know I'm, she in front of me

His magic surrounds me  
It's touching my soul  
I don't want to leave him  
but i got to go  
I feel it so hard but  
Oh i know it's true  
I've got to get through  
I'm what you see  
That woman is you in front of me

I'm venus the goddess of love  
Come and touch me  
And see for yourself  
Look at me and be really sure  
I'm venus, I'm venus  
The goddess of love
