

Deep Forest, Marta's Song (Ingl?s)

Three units of red ribbon
Does not fit

Oh my God, oh my God
What has happened to me?
Three units of red ribbon
Does not fit around me!

Oh my God, oh my God
What has happened to me?
I have a sorrow too...
What happened to me?
Three units, three units

Oh my God, oh my God
What has happened to me?
Three units of red ribbon
Does not fit around me!
Three units, three units

I have a sorrow too...

What happened to me?

I have a sorrow too...

What happened to me?

I have a sorrow too...

What happened to me?
