

# Deep Forest, Twosome

I've gone past my borders  
I was so sad, I had no color  
I've gone past my borders  
I was so sad, I had no color  
When I started from "Csk"  
I still had my color, was not sad  
Oh My God What can I do  
My mother, oh my heart  
If she still would be alive  
Oh My God where did you throw me  
Oh My God give to me...  
I've gone past my borders  
I was so sad, I had no color  
When I started from "Csk"  
I still had my color, was not sad  
Oh My God What can I do  
My mother, oh my heart  
If she still would be alive  
Oh My God where did you throw me  
Oh My God give to me...  
I've gone past my borders  
I still had my color, was not sad  
Oh My God What can I do  
(My Borders... My Borders...)  
My mother, oh my heart  
If she still would be alive  
The poor man...  
Oh My God where did you throw me (My Borders... My Borders...)  
Oh My God give to me...
