Deep Purple, Bad Attitude

take a look at these dirty hands take a look at this face these blazing eyes do you see me as a broken man tell me are you really that blind

you got yourself a load of trouble now you got yourself a bad deal you say i've got a bad attitude how d'you think i feel

you got me locked in a paper cage you think i'm chained up but i'm just tied down step aside get out of my way i won't hurt you i had enough being pushed around

you got yourself a load of trouble now you got yourself a bad deal you say i've got a bad attitude how d'you think i feel

don't want a number i got a name take a look at my face talk about a bad attitude things have got to change
