

Deep Purple, Hard Lovin' Man

Break my back with hard lovin'
Take my hand and keep movin'
Don't slow down we're nearly there now
Oh can you stand the pain
I'm a hard lovin' man
What's your name? It's alright now
Trick or treat we're uptight now
Wanna feel ya I wanna hear ya
Oh here we go again
I'm a hard lovin' man
Come back here it's not over
Can't you see there's still time girl
I can last make it fast now
Oh gotta catch a train
I'm a hard lovin' man
