

# Deep Purple, Sail Away

If you're driftin' on an empty ocean  
with no wind to fill your sail,  
the future, your horizon,  
it's like searchin' for the Holy Grail.  
You feel there's no tomorrow  
as you look into the water below.  
It's only your reflection  
and you still ain't got no place to go.

Time will show,  
when, I don't know.

Sail away tomorrow,  
sailin' far away.  
To find it steal or borrow.  
I'll be there someday

Oh, woman, I keep returnin  
to sing the same old song.  
The story's been told, now I'm gettin' old.  
Tell me, where do I belong?  
Feel like I'm goin' to surrender,  
hard times I've had enough.  
If I could find a place to hide my face,  
I believe, I could get back up.

Time will show,  
when, I don't know.

Sail away tomorrow,  
sailin' far away.  
To find it steal or borrow.  
But I'll be there someday

Sail away tomorrow,  
sailin' far away.  
To find it steal or borrow.  
But I'll be there someday

Sail away tomorrow,  
sailin' far away.  
To find it steal or borrow.  
But I'll be there someday
