

# Deep Purple, Sail Away Riff

If you're driftin' on an empty ocean  
With no wind to fill your sails  
The future your horizon  
It's like searchin' for the Holy Grail

You feel there's no tomorrow  
As you look into the water below  
There's only your reflection  
And you still aint got no place to go

(Chorus):  
Time will show  
When I don't know  
Sail away tomorrow  
Sailin' far away  
To find it steal or borrow  
I'll be there someday

Now woman I keep returnin'  
To sing the same old songs  
The story's been told, now I'm gettin' old  
Tell me where do I belong

Feels like I'm goin' to surrender  
Hard times I've had enough  
If I could find a place to hide my face  
I believe I could get back up

(Chorus)
