

# Deep Purple, The Orange Juice Song

Orange juice,  
Just thinkin bout that orange orange juice  
orange juice,  
just thinkin bout that orange orange juice

Some peeps  
say orange juice is yellow  
but I say  
orange juice is mellow  
with a lil more orange  
in that orange orange juice

Orange juice,  
Just thinkin bout that orange orange juice,  
orange juice,  
just thinkin bout that orange orange juice

Some peeps,  
say orange juice is yucky  
but I say  
orange juice is lucky  
with a lil more spunk  
in that orange orange juice

Orange juice,  
just thinkin bout that orange orange juice,  
orange juice,  
just thinkin bout that orange orange ju-u-u-u-ice.
