

# Deep Purple, What's Goin' On Here

Roll me over slowly, i've been drinkin' all night,  
Help me make a move, i can't stand the light.  
Wake me, shake me, don't slam the door.  
I ain't been so bad, i just can't recall.  
Spent the night chasin' up a listed old flame,  
Lyin' on the floor i can't remember her name.  
I can't stay here, there's something wrong here.  
What's goin' on here?

Went downtown, had a long way to go.  
How i got there, well, i don't know.  
Found myself sittin' in a west side bar,  
Tried to leave but i could not go far.  
High class woman try'n to give me a line,  
Should have left early when i felt so fine.  
I can't stay here, there's something wrong here.  
What's goin' on here?

When they closed up the bar, you know, they left me for dead.  
I can't remember a thing i said.  
Must have called the police to take me away.  
They said, "forty days", now i've got to pay.  
Spent the night chasin' up a listed old flame,  
Lyin' on the floor i can't remember my name.  
I can't get together while they're messin' with me,  
Keep on lookin' round, tell me where can i be.  
I can't stay here, there's something wrong here.  
What's goin' on here?
