

Deepest Blue, Be Still My Heart

Be still my heart,
Give me half a chance,
To come back down.

Be still my heart,
Give me half a chance,
To come back down.

Don't be scared,
Don't be scared,
Don't be afraid,
I'm there for you.

Don't be scared,
Don't be scared,
Don't be afraid,
I'm there for you.

Be still my heart,
Give me half a chance,
To come back down.
