

# Deerhoof, Look Away

Love no love no love  
Love no love no love  
Love no love no love

A pencil with a hand  
A person with a plan  
A whole man  
I go searching for the fellow

Love no love no  
And so and so

Let's the wonderful days  
Wonderful days

Let's start wonderful days over  
Wonderful ways

Let's start wonderful days over
