

# Def Leppard, High 'N' Dry (Saturday Night)

Saturday, I feel right  
I been drinking all day  
Yes I got a date, a midnight ride  
I had to get it away  
Yeah, I'm not a loner, I'm not a fool  
Don't need a reason, reason to be cool  
I got my whiskey, I got my wine  
I got my woman, and this time the lights are going out

Saturday night - High  
Saturday night - High 'n' dry  
Saturday night - I'm high  
Saturday night - High 'n' dry

Ow, I feel bad, I feel mean  
I'm up and down and in between  
On the bottle, I'm on the line  
I'm up and feeling fine

Oh I'm not a loner, I'm not a fool  
Don't need a reason, reason to be cool  
I got my whiskey, I got my wine  
I got my woman, and this time the lights are going out

[Repeat Chorus]

Oh take me high  
Saturday, kickin' out, her train was comin' to me  
I gotta move, number one  
Saturday night on the run

Saturday night - High  
Saturday night - High 'n' dry  
Saturday night - Got my whiskey  
Saturday night - Got my wine  
Saturday night - Got my woman  
Saturday night - High 'n' dry  
You gotta try me tonight
