

# Def Leppard, I Wanna Be Your Hero

I wanna be your hero  
I'll be a trick of the light  
I wanna be your hero  
I'll be your heat in the nite  
Hold tight  
'Cos I like what I see  
Ya excite  
You put your finger on me  
You're not too shy  
You put a sting in my tail  
A magic ride  
And I'm-a hot on your trail

You know  
Ya got something I want  
Ya got something I need  
Yeah!  
I got something to say  
I'm on my way  
Hot licks on the tip of my tongue  
Electric you turn your headlight on

Ya know  
Ya got something I want  
Ya got something I need  
Yeah!  
I got something to say  
I'm on my way

Ooh yeah  
Get up and go

I wanna be your hero  
(I wanna be your hero)  
I'll be a trick of the light  
I wanna be your hero  
(I wanna be your hero)  
In the heat of the nite  
A-hold tight  
I like what I see  
Oh

Just one night  
That's all I'm asking from you too

Ya got something I want  
Ya got something I need  
I got something to say  
I'm on my way

Ooh yeah  
Get up and go

I wanna be your hero  
(I wanna be your hero)  
I'll be a trick of the light  
I wanna be your hero  
(I wanna be your hero)  
I wanna be your hero  
I wanna be your hero  
I wanna be your hero  
I wanna be your hero
