

# Def Leppard, It Could Be You

Who's the one to knock me over  
Who's the one to take me by surprise  
Who's the one who's out to get me  
Who will share my fantasy tonight

It could be you, it could be me  
It could be anyone  
It could be you, it could be me  
It could be you, it could be anyone

Do you really know the story?  
Have you really come to see the band?  
Can you reach out for the glory?  
Can you feel the nearness of my hand?

It could be you, it could be me  
It could be anyone

If you look a little harder  
You can see we're really all the same  
And if you look a little deeper  
Can't you see it's really all a game?

It could be you, it could be me  
It could be anyone  
It could be you, it could be me  
It could be you, it could be anyone
