

# Def Leppard, Kick

you're in my head again  
and i know where it's goin'  
i know i'm gonna need  
another taste of your poison

you're the pulse to my motor  
my electric desire  
you're my star blazed rhythm  
let me dance in your fire

and i just can't stop it  
all night everyday  
and i just can't stop it  
and i love it that way

i don't wanna kick kick  
kick your habit  
'cos you never quit quit  
i gotta have it  
i don't wanna kick kick  
kick your habit  
'cos you never quit quit  
i gotta have it

na na na na , na na na , na na na  
so won't you gimme some more  
i said  
na na na na , na na na , na na na  
so won't you gimme some more  
ah kick it

you're racing through my brain  
like a bolt of white lightnin'  
and i can't sleep it off  
'cos your love's always strikin'

you're the tonic to my thirst  
sweet nectar of sin  
i keep runnin' away  
but you keep draggin' me in
