

Def Leppard, Now I'm Here

Here I stand
Look around, around, around, around, around
But you won't see me
Now I'm there
Now I'm there
I'm just a, just a new man
Yes you made me live again

A baby I was when you took my hand
And the light of the night burned bright
And the people all stared didn't understand
But you knew my name on sight

Whatever came of you and me
America's new bride to be
Don't worry baby I'm safe and sound
Down in the dungeon just Peaches 'n' me
Don't I love her so
Yes you made me live again

A thin moon me in a smoke-screen sky
Where the beams of your lovelight chase
Don't move, don't speak, don't feel no pain
With a rain running down my face

Your matches still light up the sky
And many a tear lives on in my eye
Down in the city just Hoople 'n' me
Whatever came of you and me
I love to leave my memory with you

Now I'm here
Think I'll stay around, around, around, around, around
Down in the city just a you 'n' me

One, two, three
Whatever comes of you and me
I love to leave my memory with you
