Def Leppard, Ring Of Fire

Fun girl, you tempted me, a feast of sparks in the night is what I need Ooh I'm a-ready to roar, and I'm a-ready for more And I'm a-ready to burn like the light into the dawn

Oh I gotta see the fire in me, turning into ecstasy So stick around and settle down enjoy the mystery A voice in the wilderness, there's somethin' in the air A little love won't bring your precious self a secret flame

Fun girl (Are you ready, ready for fun girl?) Feels like fire (Are you ready, ready for fun girl?) Ring of fire

I left, so indiscreet, you're stealing all of the fire electric me I'm staring into the sun, I'm staring into a gun I'm staring at the sky, turn it out and let it burn

[Repeat Bridge]

[Repeat Chorus]

Fun girl, you tempted me, ya cut me up Like a knife so tenderly Oh I gotta see the fire in me, burning up my ecstasy A little love won't bring your precious self a secret flame. Oh no

[Repeat Chorus]

Yeah yeah yeah yeah Oh
