

# Def Leppard, Ring Of Fire (Alternate)

Thunder, you're tempting me, a feast of spice  
In the night is what I need  
Oooh, I'm ready to roar and I'm ready for more  
And I'm ready to burn like a light into the dawn

Oh I gotta see the fire in me, turning into ecstasy  
So stick around and settle down enjoy the mystery  
A voice in the wilderness, there's something in the air  
A hidden love, forbidden pleasure, suffer secret pain

Thunder  
(Are you ready, ready for burning)  
Feels like fire  
(Are you ready, ready for burning)  
Ring of fire

Heartless, so indiscreet, you're stealing up  
From behind a raging heat

I'm staring into the sun, I'm staring into a gun  
I'm stirring up a storm, turn it on and let it burn

[Repeat Bridge]

[Repeat Chorus]

Thunder, you tempted me, you cut me up  
Like a knife so tenderly  
Oh I gotta see the fire in me, burning up my ecstasy  
A hidden love, forbidden pleasure, suffer secretly  
Oh no

[Repeat Chorus]
