

# Def Leppard, Too Late For Love

Somewhere in the distance I hear the bells ring  
Darkness settles on the town as the children start to sing  
The lady 'cross the street she shuts out the night  
There's a cast of thousands waiting as she turns out the light

But it's too late, too late, too late  
Too late for love  
Yes it's too late too late, too late  
Too late for love

London boys are staring as the girls go hand in hand  
With a pocket full of innocence, their entrance is grand  
And the Queen of the dream stands before them all  
She stretches out her hand as the curtains start to fall

Standing by the trapdoor aware of me and you  
Are the actor and the clown their waiting for their cue  
And there's a lady over there she's acting pretty cool  
But when it comes to playing life she's always playin' the fool
