

# Deftones, Digital Bath (Acoustic)

You move - like I want to  
To see - like your eyes do  
We are...downstairs  
Where no one can see  
New life - breakaway  
'Cause tonight...

I feel like more  
Tonight I...

You make the water warm  
You taste - foreign  
And I know - you can see  
The cord - breakaway  
'Cause tonight...

I feel like more  
Tonight...I feel like more  
Feel like more  
Tonight...

You've breathed - then you stop  
I breathed - and dried you off

And tonight I...feel  
Feel like more  
Tonight I feel like...  
I feel like more  
Tonight I feel like more  
I feel like more  
Tonight...
