

# Deftones, Teclo

TECLO (BQAD ending)

Long goes the night  
Longer the day  
Teclo your death  
Will send me to my grave

I learned to beg  
I learned to pray  
Send me his love  
Send him to me again

Let me ride (x2)  
Let me ride on his grace for a while  
Let me ride (x2)  
Just let me ride on his grace for a while

Long goes the night  
Longer the day  
Teclo your death  
Will send me to my grave

Let me ride (x2)  
Just let me ride on his grace for a while  
Let me ride (x2)  
Just let me ride on your grace for a while

Just let me ride
