blue star
shine your light down
on everyone cause
i don't care
their soothing me
yes tear lung
blue star
shine your light down
pierce for my face
to heal my veins
down on everyone
cause i do care
their soothing me
tear lungs
it's more it's more
down shine light
shine your light
down
it's more it's more
on everyone cause i don't care
you're soothing me their lungs
blue star
shine your light
shine your light
shine your light down
blue star down
blue star shine down
on everyone cause i don't care
you're soothing me
their lungs
it's more
