

Deftones, The Chauffeur

Out on the tar plains the glides are moving
all looking for a new place to drive
You sit beside me so newly charming
sweating dewdrops glisten freshening your side

(Chorus) And the sun drips down bedding heavy behind
the front of your dress all shadowy lined
and the droning engine throbs in time with your beating heart

Way down the lane away, living for another day
the aphids swarm up in the drifting haze
swim seagull in the sky towards some hollow western isle
my envied lady holds you fast in her gaze
Chorus X2
Sing Blue Silver...

And watching lovers part I feel you smiling
what glass splinters lie so deep in your mind
to tear out from your eyes with a word to stiffen brooding lies
But I'll only watch you leave me further behind
Chorus X2
Sing Blue Silver
Sing, Sing Blue Silver
