

Deicide, Behind The Light Thou Shall Rise

Disemboweled on the altar jesus christ
Entrails in the pentagram circle
Spill his blood and reversing catholic humn
Invoke the onslaught of Satan

Master Lord lucifer
From behind the light thou shall rise
Drink ourselves as you feed
His offering of purity

Bible bleed, hell on Earth has been achieved
Thou will fail before Lord Satan
Casting sin, pissing on their crucifix
Stepping forth into his creation

Master Lord lucifer
From behind the light thou shall rise
Walk His Earth, invade in pain
His christians become the enslaved

What was once is never more
Infernal Lord Father restored
Blinding priest in disbelief
Revenge onto god he has sworn
