

# Deicide, Behind The Light Thou Shall Rise

Disemboweled on the altar jesus christ  
Entrails in the pentagram circle  
Spill his blood and reversing catholic humn  
Invoke the onslaught of Satan

Master Lord lucifer  
From behind the light thou shall rise  
Drink ourselves as you feed  
His offering of purity

Bible bleed, hell on Earth has been achieved  
Thou will fail before Lord Satan  
Casting sin, pissing on their crucifix  
Stepping forth into his creation

Master Lord lucifer  
From behind the light thou shall rise  
Walk His Earth, invade in pain  
His christians become the enslaved

What was once is never more  
Infernal Lord Father restored  
Blinding priest in disbelief  
Revenge onto god he has sworn
