

# Deicide, Blasphemerereion

Bleeding death, undead, broke the seal Suhrim  
Desecrate, evil ghost Thoth freed him  
Mass destruction, ended lives, blasphamation, you will die

[Pre-chorus:]

Darkest one, bleeding death, from beyond  
Death be done, no regression, unforbidden  
You will die - it's been written

[Chorus:]

Die - BLASPHEREREION  
Die - BLASPHEREREION

Vicious wrath Adar, tortured past rendered  
Odious evil, elder death, feast us  
God's construction, holy doom  
Don't believe, you're consumed

[Pre-chorus / Chorus]

Lord chaos, death, save us  
Kill human kind, life was denied  
Lord black death, Thoth, confess  
Send to desecrate, lord blasphamate

[Lead - Eric]

[Pre-chorus / Chorus]
