

Deine Lakaien, My Shadows

Call me a fool, call me a dreamer
Call me a fool, call me a dreamer
The killer hidden in a video game
who are the victims, no one to blame
All you have seen, lies and lies and lies
on TV-Screen, lies and lies and lies
I heard the cries of an innocent night
lost on their way to the satellite
My decision is your decision is love
Call me a fool, call me a dreamer
Call me a fool, call me a dreamer
The killer hidden in a video game
you've got the remote-control, it's all the same
All you have seen, lies and lies and lies
on TV-Screen, lies and lies and lies
Oh, you're no fool, you're adult
yeah, you're no fool, here's the result
My decision is your decision is love
