

Deine Lakaien, When You Lose

when you lose your fears
you can say yo can say
that i am losing you
fly away fly away
when you are losing me
you can say you can say
that you've lost your tears
dance away dance away
when we lose ourselves

we can see we can see
that we've lost our fears

up to you up to me
when we prove ourselves
we can see we can see
that we move ourselves
running free running free
