

# Del Amitri, Funny Way To Win

So you want me to play the bleeding role  
Just so he can know how I needed you.  
Well that's okay with me, it's a part I think I know  
God knows he won't need to suspend belief.  
I know it's just a game and losing you's  
How it just begins...ain't that a funny way to win  
So I run around dragging people down  
Holding my broken heart like a cheap cartoon  
Just so he can see it's a sucker who  
Does to you what you did to me  
I know it's just a game and losing you's  
How it just begins...ain't that a funny way to win  
So if there's another need that I can still serve  
I'm low on self esteem but I'm high on nerve
