

# Del Amitri, No Family Man

Well, I talk like a boy to my baby sometimes  
And you talk like a baby when your boy is crying  
You made something to love but I love what I am  
No family man  
So don't tell me you've got something better than me  
Don't say that it's a great mystery  
It's just making love what you want it to be,  
That's why I am no family man  
And that is why all that I have in the world  
Is an ocean of time with this beautiful girl  
Have you got something to prove with your own little you  
Have I wasted my time, cut through the family line  
In the race to life, I am an also-ran  
But I've run enough to know  
I'm no family man.  
Yeah I've done enough to know I'm no family man.
