

Del Amitri, Roll With Me

Look around your world, pretty baby
Is it everything you hoped it'd be?
The wrong guy the wrong situation
The right time to roll with me
Look into your heart, pretty baby
Is it achin' with some nameless need?
Is there something wrong and you can't put your finger on it?
Right now roll with me
And I don't think I have ever seen
A soul so in despair
So if you want to talk the night through
Guess who will be there
So don't try to deny it, pretty baby
You've been down so long you can hardly see
When the engines start and it won't stop raining
It's the right time to roll with me
And I don't think I have ever seen
A soul so in despair
So if you want to talk the night through
Guess who will be there
So look around your world, pretty baby
Is it everything you hoped it'd be?
The wrong guy the wrong situation
The right time to roll with me
