

# Del Amitri, Tell Her This

Tell her not to go  
I ain't holding on no more  
Tell her something in my mind freezes up from time to time  
Tell her not to cry  
I just got scared that's all  
Tell her I'll be by her side, all she has to do is call  
Tell her the chips are down  
I drank too much and shouted it aloud  
Tell her something in my heart  
Needs her more than even clowns need the laughter of the crowd  
Tell her what was wrong  
I sometimes think too much  
But say nothing at all  
And tell her from this high terrain, I am ready now to fall  
Tell her not to go  
I ain't holding on no more  
Tell her nothing if not this; all I want to do is kiss her  
Tell her something in my mind  
Freezes up from time to time.
