

Del Reeves, Bimbo

Bimbo is a little boy who's got a million friends
And every time he passed by they all invite him in
He'll clap his hands and sing and dance and talk his baby talk
With a hole in his pants and his knees stickin' out he's just big enough to walk

Bimbo Bimbo candy on your face-e-o Bimbo Bimbo chewin' on your gum-e-o
Bimbo Bimbo when you gonna grow everybody loves your little bitty Bimbio

Bimbo's got two big blue eyes that light up like the stars
And the only way to light them up is to buy him candy bars
Cracker jacks and bubble gum will start his day off right
All the girlies follow him just a begging for a bite

Bimbo Bimbo...

(ac.guitar)

You never catch him sittin' still he's just the rovin' kind
Although he's just a little boy he's got a grown up mind
He's always got a shaggy dog a pullin' out his clothes
And everybody called to him as down his feenie goes
