

# Del Reeves, Swinging Doors

This ol' smoke filled bar is something I'm not used to  
But I gave up my home to see you satisfied  
I just called to let you know where I'll be living  
It's not much but I feel welcome here inside

I've got swinging doors a jukebox and a barstool  
And my new home has a flashing neon sign  
Stop by and see me anytime you want to  
Cause I'm always here at home till closin' time  
[ steel - guitar ]  
I've got everything I need to drive me crazy  
I've got everything it takes to lose my mind  
And in here the atmosphere's just right for heartaches  
And thanks to you I'm always here till closing time

I've got swinging doors...  
Yes I'm always here at home till closin' time
