

# Del Shannon, Keep Searchin' (We'll Follow The Sun)

No one will understand what I've gotta do  
I've gotta find a place to hide with my baby by my side  
She's been hurt so much, they treat her mean and cruel  
They try to keep us far apart, there's only one thing left we can do

We gotta keep searchin', searchin', find a place to hide  
Searchin', searchin', she'll be by my side  
If we gotta keep on the run we'll follow the sun-ah, wee-oooh  
Follow the sun-ah, wee-oooh

(Bridge:)

Doesn't matter, doesn't matter what people might say  
She's mine and I'm gonna take her anyway

Gotta keep searchin', searchin', find a place to stay  
Searchin', searchin', every night and day  
If we gotta keep on the run, we'll follow the sun-ah, wee-oooh  
Follow the sun-ah, wee-oooh

(Lead Break)

We gotta keep searchin', searchin', find a place to hide  
Searchin', searchin', she'll be by my side  
If we gotta keep on the run we'll follow the sun-ah, wee-oooh  
Follow the sun-ah, wee-oooh

Follow the sun-ah, Follow the sun-ah, Follow the sun
