

# Delain, Get the Devil Out of Me

I don't know what to feel, oh, I don't know what to say  
Oh, I don't know what to do, what makes me treat you this way

Oh I get nerve in my bones, oh, I get nerve in my heart  
Why don't you leave me alone before I tear you apart?

I'm no Jesus Christ, I'm the one mistake that you love to hate  
I apologize, it's your destiny to get the devil out of me

Oh I don't know what to do, it always ends the same way  
Though I have been here before, I know the rules to this game

And though I try not to lose, in the end I will fall  
Better to have you in tears than not to have you at all

I'm no Jesus Christ, I'm the one mistake that you love to hate  
I'm no Jesus Christ, I'm the one mistake that you love to hate  
I apologize, it's your destiny to get the devil out of me

If you think I'm hard to handle, you give up so easily  
I just need a good example to be what I used to be

Get the devil out of me

I'm no Jesus Christ, I'm the one mistake that you love to hate  
I apologize, it's your destiny to get the devil out of me
