

# Delta Goodrem, Born To Try

Doing everything that I believe in  
Going by the rules that I've been taught  
More understanding of what's around me  
And protected from the walls of love

All that you see is me  
And all I truly believe

That I was born to try  
I've learned to love  
Be understanding  
And believe in life  
But you've got to make choices  
Be wrong or right  
Sometimes you've got to sacrifice the things you like

But I was born to try

No point in talking what you should have been  
And regretting the things that went on  
Life's full of mistakes, destinies and fate  
Remove the clouds look at the bigger picture

And all that you see is me  
And all I truly believe

That I was born to try  
I've learned to love  
Be understanding  
And believe in life  
But you've got to make choices  
Be wrong or right  
Sometimes you've got to sacrifice the things you like

But I was born to try

All that you see is me  
All I truly believe  
All that you see is me  
And all I truly believe

That I was born to try

I've learned to love  
Be understanding  
And believe in life  
But you've got to make choices  
Be wrong or right  
Sometimes you've got to sacrifice the things you like

But I was born to try

But you've got to make choices  
Be wrong or right  
Sometimes you've got to sacrifice the things you like

But I was born to try
