

# Delta Goodrem, One Day

One day i'll learn to like myself  
One day i'll finally get it right  
And i'll try till time catches up with me  
One day i'll be too old to care

OOH one day  
OOH one day it will be okay

One day i'll speak some japanese  
One day i'll learn to play guitar  
And i'll stop procrastinating  
And get up off this chair  
One day is always one day late

OOH one day it will be okay  
OOH one day it will be okay  
So i'll get up and try it again  
So i'll pick myself up and say  
One day it will be okay

One day my heart will find a friend  
One day i'll make the perfect wife  
And i'll change my name just for him  
All of these things i'll do one day

OOH one day it will be okay  
OOH one day it will be okay  
So i'll get up and try it again  
So i'll pick myself up and try it again  
One day it'll be okay  
One day it'll be okay
