

# Demi Lovato, Nightingale

I can't sleep tonight  
Wide awake and so confused  
Everything is in line  
But I am bruised  
I need a voice to echo  
I need a light to take me home  
I kinda need a hero  
Is it you?

I never see the forest for the trees  
I could really use your melody  
Baby, I'm a little blind  
I think it's time... for you to find me

Can you be my nightingale?  
Sing to me: I know you're there  
You could be my sanity  
Bring me peace  
Sing me to sleep  
Say you'll be my nightingale

Somebody speaks to me  
Cause I'm feeling like hell  
Need you to answer me  
I'm overwhelmed  
I need a voice to echo  
I need a light to take me home  
I need a star to follow  
I don't know...

I never see the forest for the trees  
I could really use your melody  
Baby I'm a little blind  
I think it's time... for you to find me

Can you be my nightingale?  
Sing to me: I know you're there  
You could be my sanity  
Bring me peace  
Sing me to sleep  
Say you'll be my nightingale

I don't know what I'd do without you  
Your words are like a whisper cutting through  
As long as you're with me here tonight I'm good

Can you be my nightingale?  
Feel you so close  
I know you're there  
Oh, nightingale  
Sing to me: I know you're there  
'Cause baby you're my sanity  
You bring me peace  
Sing me to sleep  
Say you'll be my nightingale
