

Denis Leary, F**k The Kennedys

"Who set up Frank Gifford? The fucking Kennedys!"
"No, no--"

...I had sex with Marilyn in my rocket ship
Jack Kennedy, oh ho
Mr. President

"Ask not what your country can do for you, ask what you can do--" (splash)

I'm rich, and it's great
I hang around and I wake up late
I'm a Kennedy

Ich bin ein
Ich bin ein Berliner
And we're doin' fine
Seven thousand relatives are waitin' in line

It's the Kennedys, oh ho
It's the Kennedys, oh ho
It's the Kennedys, Kennedys, Kennedys, Kennedys, etc.
