

# Denison Witmer, What Will Stay?

What will stay?

When everything is going, what remains?

When everything is leaving, when all has slipped away

What will stay?

What will change?

When everything is different, what's the same?

When everything is leaving, when all has slipped away

What will change?

(bridge)

Am i safe?

When everything is going, i'm afraid

When everything is changing, if nothing good as stayed

Am i safe?
