

Dennis DeYoung, Bless Me Father

- Frolo -

Bless me Father I have sinned, I vow today I shall begin

I will not rest till I am perfect in your eyes

By holy orders given me, grant absolution here for thee

I will not sleep till I've destroyed all Satan's lies

I will baptize them in your name, anoint the sick and help the lame

And show forgiveness to all those who've gone astray

I'll feed the hungry and the poor, and preach your word at every

Door, and give the sacraments to those who've gone astray

Who've lost their way

But who will comfort me, in this my hour of need

For I cannot forgive myself, no matter who I've helped

As long as this desire still burns in me

Please tell me what to do, my life has become a lie

Answer me, you can save me from disgrace

Set me free, with sanctifying grace

Lord on high, shine your light

For I fear I cannot go, until at last I know

Will you still love this child

Please answer me before it is too late
