

# Dennis DeYoung, The Confrontation

&lt;em&gt;- Frolo -&lt;/em&gt;

Are you insane what on earth are you trying to do  
Destroy the place that has always protected you  
Within the walls of this church you have found sanctity  
You're as mad as can be

&lt;em&gt;- Quasimodo -&lt;/em&gt;

Father please I believe in her innocence  
To be born who she is, is her one offense  
We must keep and protect her by law and decree  
This is sanctuary

&lt;em&gt;- Frolo -&lt;/em&gt;

You're a fool if you think you can win  
There's no truth to forgiveness of sin  
No mercy is waiting for all your good deeds

&lt;em&gt;- Quasimodo -&lt;/em&gt;

Can it be that my mind is confused  
You are the man who has never refused  
To give comfort and help to all those who need  
Father please

&lt;em&gt;- Frolo -&lt;/em&gt;

I took you in when the world turned its back on you  
Prayed for the grace of the saints that you'd make it through  
When you'd stumble and fall it was I who would bleed  
How can you do this to me

&lt;em&gt;- Quasimodo -&lt;/em&gt;

Father please my whole life has been you  
Cast me out if that's what you must do  
But don't harm the girl I'm begging you please

&lt;em&gt;- Frolo -&lt;/em&gt;

This gypsy tramp has you under her spell  
Don't be fooled she's a vixen from hell  
As long as I breathe she will never go free  
Repent!  
Repent!  
Repent!

&lt;em&gt;- Quasimodo -&lt;/em&gt;

Sanctuary Sanctuary

&lt;em&gt;- Esmerelda -&lt;/em&gt;

You are the man that night in the woods  
I remember the sound of your voice  
And the touch of your hood

&lt;em&gt;- Frolo -&lt;/em&gt;

You can say what you want to say

&lt;em&gt;- Esmerelda -&lt;/em&gt;

All of this time

&lt;em&gt;- Frolo -&lt;/em&gt;

But you are the one to blame

&lt;em&gt;- Esmerelda -&lt;/em&gt;

You were the one

&lt;em&gt;- Frolo -&lt;/em&gt;

For making the blood of our Lord run cold in my veins

&lt;em&gt;- Esmerelda -&lt;/em&gt;  
You are insane  
As long as I live

&lt;em&gt;- Quasimodo -&lt;/em&gt;  
You leave her alone

&lt;em&gt;- Esmerelda -&lt;/em&gt;  
You'll never be free

&lt;em&gt;- Frollo -&lt;/em&gt;  
Gypsy Witch

&lt;em&gt;- Quasimodo -&lt;/em&gt;  
Please let her go free

&lt;em&gt;- Esmerelda -&lt;/em&gt;  
Since you are the murderer

&lt;em&gt;- Frollo -&lt;/em&gt;  
Sorceress

&lt;em&gt;- Quasimodo -&lt;/em&gt;  
If you try to harm her

&lt;em&gt;- Esmerelda -&lt;/em&gt;  
Now you must kill me

&lt;em&gt;- Frollo -&lt;/em&gt;  
Can't you see that I loved you, why not just kill me

&lt;em&gt;- Quasimodo -&lt;/em&gt;  
First you must kill me
