

Department Of Eagles, Phantom Other

Alright, we'll do this your way
Alright, we'll make it anyway
Now'd be a good time
To send us all away, man

So what would it take?
What would it take
 to make you learn?
And what would it take?
What would it take
 to make you listen?

Oh man, you're not the only one
Oh boy, with that phantom other on
Now'd be the right time
 to send us all away
It'd be a good time
 if you just go away, man

What would it take?
What would it take
 to make you leave?
What would it take?
What would it take
 to make you listen?

My God in heaven
 what were we thinking?
My God in heaven
 what were we thinking of?

Lookout, lookout
We gotta get out
Lookout, lookout
We gotta get out

Wake up, wake up
We gotta get out
Wake up, wake up
We gotta get out
